**REQUEST FOR PERMISSION TO WITHDRAW**  
**AS ATTORNEY OF RECORD**

Pursuant to the provisions of 37 CFR § 10.40, Karl S. Sawyer, Jr., on his on behalf and on behalf of all of the other attorneys of record in the above-captioned application, respectfully requests that all such attorneys of record be allowed to withdraw as attorneys in the above-captioned application.

As evidence of the applicant's consent to withdrawal of the attorneys of record, a copy of an email communication received by the undersigned from the applicant's wife acknowledging withdrawal of the attorneys of record, and also requesting the attorneys of record to notify the PTO, is appended hereto (certain information which is believed protected under the attorney-client privilege has been redacted).

To the best of the undersigned's knowledge, information and belief, no Office Action in this application is currently outstanding nor is any other action in this application currently due or required on the part of the applicant, whereby withdrawal of

Dear Mr. Sawyer,

I have informed the US Patent Office and I would like to ask you for sending them a formal letter that you and your law firm withdraw as our attorneys for all applications.

I hope that there is no further urgent matter don't know and any risks to lose my rights.

We will either directly involve an other attorney or go another way.

I am sorry that our relationship is more or less over but [REDACTED]

Referring to the outstanding 'disagreements' I will do my best to finalize it as soon as possible. We will parallely come back to you for getting the important correspondence etc..

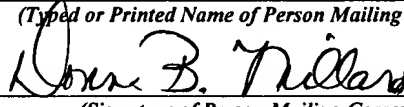

Best regards
